*There once was a man named Henry.  
To Naples only he held the key.  
His home, a hotel.  
Middle name, Broadwell.  
And so he was known as HB.*

*Let us weave you a brief Naples story.  
One that begins in the '40s.  
The Watkins family arrived.  
All this land they did buy.  
And transformed into its former glory.*

*So as you dine beneath the palm trees.  
Soak up this reimagined property.  
No table on this coast.  
Sits at the ocean so close.  
Welcome to the iconic HB's.*
