Is there anything more celebration-worthy than a holiday devoted to love and romance?

Toast to your Valentine on the most romantic date night of the year with these incredible cocktails from top cocktail bars and mixologists around the country.

Happy Together

At [Mesiba](#) at Moxy Williamsburg, Happy Together is a celebratory, Valentine's-ready cocktail that blends bright citrus with delicate florals and soft vanilla notes, finished with crisp Prosecco bubbles. Naturally hued a romantic shade of violet from butterfly pea flower, the drink is elegant

and playful—crafted to set the mood for Valentine’s Day, served up in a coupe and garnished with a heart-clipped sage leaf for a subtle aromatic finish.

“A balance between citrus, crisp bubbles, and the soft touches of vanilla alongside sage. The butterfly pea flower makes this cocktail stand out with its lovely purple color and refreshing mouthfeel,” said Sebastian Corredor, Head of Bars, Moxy Williamsburg.
