

Rainforest Cafe®

**If you think your classroom is WILD,
try spending a day in our JUNGLE!**

TAKE AN EDUCATIONAL JOURNEY WITH US

Learn about the world's tropical rainforests, threatened and endangered species, conservation, as well as how to support and protect our planet and our fragile ecosystem. Have fun with our animal friends and learn more about the silverback gorilla, our elephant family, crocodiles, and much more!

**EDUCATIONAL SAFARIS ARE CONDUCTED IN THE MORNING,
PRIOR TO OUR RESTAURANT OPENING, SO THAT YOUR CLASS
CAN BE WILD AND EXPLORE THE JUNGLE UNINTERRUPTED.
MEALS ARE SERVED IMMEDIATELY AFTER THE TOUR.**

As your students approach the Rainforest Cafe they will be greeted by their very own Safari Guide who will prepare them for their adventure. Their guide will advise them of the dangers waiting in the Rainforest and to always be on the lookout for surprises that may be lurking in the mist!
