Private Dining Guide

Reserve by Chef Tyler Stokes

A New Chapter in Intimate Hospitality

Reserve by Chef Tyler Stokes is a refined, chef-driven experience designed for those who value exceptional food, thoughtful service, and meaningful connection. Whether you're planning an intimate celebration, a corporate gathering, or a private culinary experience, Reserve offers a more personal and elevated approach to dining. With a focus on controlled capacity and precise execution, every event is crafted with intention — from multi-course tasting menus to fully customized private dinners and off-site catering.

About Chef Tyler Stokes

With over 30 years in the kitchen and more than a decade as the chef and owner of Provisions in Salt Lake City, Chef Tyler Stokes has built his career on a deep love of hospitality and craft. Known for his hands-on approach and commitment to seasonal, thoughtfully prepared food, Tyler returns to the pass with Reserve — his most personal expression yet.

Reserve reflects a return to what he loves most: being in the kitchen, connecting with guests, and creating memorable experiences through food.

The Concept

Reserve is built on the belief that great hospitality happens in smaller, more intentional settings. By limiting capacity and focusing on pre-sold experiences, we are able to deliver a higher level of care, precision, and personalization.

Whether hosting a private dinner in our space or bringing Reserve to your home or venue, every detail is thoughtfully considered — from menu design to pacing, service, and ambiance.

Private Events

Reserve specializes in private and semi-private events for groups of all sizes. From intimate dinners to larger celebrations, we offer flexible options tailored to your needs.

Private Dining Options Include:

Full buyouts of our spaces

Semi-private dining areas

Customized multi-course tasting menus

Wine pairings and beverage programs

Special occasion celebrations (birthdays, anniversaries, corporate milestones)

Our team works closely with each host to create a seamless and memorable experience.

Tasting Menus

At the heart of Reserve is the tasting menu experience. Chef Tyler creates seasonal, multi-course menus that highlight the best ingredients and his signature style.

Menus are designed to be shared and enjoyed at a relaxed pace, allowing guests to experience a progression of flavors in an intimate setting. We offer both curated seasonal tastings and fully customized menus based on your preferences and dietary needs.

Catering & Off-Site Experiences

Reserve is also available for off-site private events and catering. Whether you're hosting at home, in a private venue, or at one of our locations, we bring the same level of care and execution.

From intimate dinner parties to larger corporate or social events, our catering team can design a custom menu and manage all service details.
