## PLEASE VISIT OUR STATEN ISLAND, NY LOCATION

Evoking memories of bountiful "Sunday Suppers" where families gathered around the table to share recipes passed down from generation to generation, Millie's of Staten Island is bringing that same convivial feeling of a close-knit Italian family to everyone. Millie's is a restaurant rooted in one family's commitment to preserving the "Old World" in terms of recipes and traditions, but steps into the "New World" with modern ambiance and décor.

Named after their grandmother Millie, the restaurant is the brainchild of two brothers (Staten Island natives) seeking to share their passion for Italian food and celebration of the Italian culture of their heritage. "We were fortunate to grow up in a family that respects Italian traditions and by opening Millie's, we want to share our love of culinary classics like meatballs and pizza. We look so forward to bringing our concept home now, and sharing it with our very own community."
