The most popular activity is canoeing on the Mohican River. For those who enjoy paddling and other outdoor recreational pursuits, this area affords more opportunity than any other in Ohio. Traveling to the Mohican area allows a visitor to enjoy several scenic byways, including the Gateway to Amish

Country, Wally Road Scenic Byway, and Amish Country Scenic Byways. Take advantage of hiking trails for all levels of expertise while exploring the 1,110-acres of The Mohican State Park. The state park is also home to the longest single track mountain bike trail in Ohio. Take a drive over to the south shore of Pleasant Hill Lake, known for great fishing and boating while being immersed in the 4,525-acre Mohican-Memorial State Forest.
