POPULAR PHOTO OPS

We know how important great photos are for today's events.
We've highlighted a few great spots on the property that our guests love to use for photos.

Under Our Sign

Chez Zee is an iconic Austin meeting spot. Many guests like to use our long walk-up pathway to pose with our neon sign.

Wishing Fountain

Our cozy outdoor patio includes this lovely stone water feature that makes a special place for keepsake photos from any occasion.

The Big Chair

Probably our most popular photo op spot is in the famous Chez Zee Chair. Painted by a local artist, this colorful piece is an Austin favorite.

Patio Fountain

Many event hosts request to be seated on the patio near our garden fountain, it is a popular photo spot for event guests, all year round.
