
A word about the list.

Be.Steak.A was designed to be a return to classic elegance.

A time when you dressed up just to board a plane.

But we also maintain a rebellious streak,
stretching the limits of the classic American Steakhouse.

Our wine program aims to do the same.

On our list you will find a plethora of carefully curated classics from around the world as well as some gems from modern winemakers, redefining what it means to be classic. We have a team of sommeliers on staff ready to support your search for the perfect bottle.

Don't hesitate to ask for our assistance,
we love to talk wine, even if you already know what you want.

Cheers to good food, to good friends, and to good wine!

We are happy to serve up to three special bottles from your cellar.

Our fee is \$50 per 750ml. Additional bottles may be opened at the restaurant's discretion at a rate of \$100 per 750ml.

Corey Reis
Wine Director

Spirits.

At Be.Steak.A we pride ourselves in featuring a unique and highly coveted spirits selection that can't be found elsewhere.

The pinnacle of our bar is the collection of Vintage Amari that we've curated over the years that offer a unique glimpse into the past.

Amaro, the singular form of 'Amari', is an Italian herbal liqueur typically enjoyed at the end of a meal to assist with digestion.

Each part of Italy has developed its own style of Amaro, so although they may all be 'Amari' they each offer something special. These rare bottles have survived wars, economic depressions, famine, natural disasters and social unrest.

We invite you to end your meal with one, just like they would in the old country. There is history in every sip.

Salute! Saluti! Cin-Cin! Cheers!
