## HAND-SELECTED SINGLE BARREL WHISKIES

*What exactly does "Hand-Selected Single Barrel" mean?*

*Well, it means just that. Every barrel of whiskey is different and these are all whiskies that we tasted, loved, and had the whole barrel bottled and labeled just for us.*

*And now we can share it with you.*

*This means that you can only get these whiskies here at The Citizen.*

*We hope you like them as much as we do.*
