

Every sip tells a story! Come with me and explore my collection of hand-selected wines, each picked with care from my travels around the world. The beauty of each glass reflects the terroir, the people, and the care given to the grapes by their winemakers.

The wine list is laid out by region; first sparkling wines from that region, then white wines from that region, followed by red wines from that same region.

Uncork, sip, and let each wine take you on a vacation in your glass.
