

YOUR SAFETY IS OUR TOP PRIORITY.

Here are the measures we are taking within our restaurants to ensure safety & health comes first.

FACIAL COVERINGS

Following guidance from the CDC and city of Chicago, fully vaccinated guests and members of our service team will not be required to wear facial coverings. Unvaccinated individuals must remain in facial coverings whenever not seated. Members of our staff who are not vaccinated will also remain in facial coverings throughout the duration of service - we are smiling underneath, we promise.

ENHANCED SANITATION & CLEANING

We are observing cleaning practices that exceed the standard requirements. All tables and seating surfaces are thoroughly cleaned and sanitized in between each seating and high traffic surface areas are cleaned every 30 minutes.

SOCIAL DISTANCING

Please observe social distancing on the patio as well as within the restaurant. We have revised our floor plan to ensure there is 6 feet of space in between guests.

RESERVATIONS & PRIVATE EVENTS

We will continue to operate in accordance with The State of Illinois reopening and mitigation measures as it relates to table size, seating time, and private event guest capacity. For more information, events@dineamic.com.

WASH YOUR HANDS

Please remember to always wash your hands for a minimum of 20 seconds in the restroom. Sing the happy birthday song twice, even if it isn't your birthday. We promise that our staff will do the same.

(NOT) SHARING IS CARING

It is up to your comfort level if your table wishes to share food. Our Chefs are happy to split your meal for you in our kitchen. Single use flatware and drinkware is also available upon request. Please don't hesitate to ask your server!
