Becoming a DineAmic Rewards member is easy! Simply visit www.dineamicrewards.com and click “JOIN.” The page will prompt you for all required information to register your card. Once complete, you will receive an email with your DineAmic Rewards card number and be reminded to write down your account information for future log-in and reference. WHAT ARE DINEAMIC REWARDS AND HOW DOES IT WORK?

Every time you visit one of our locations*, the dollars you spend are tracked and converted into points so you can be rewarded. You must present your physical rewards card (if applicable) and/or the name and phone number you registered your account with, upon check out to receive points.

- When you spend $200 (equivalent to 200 points) you automatically receive $10 (5% rewards) in DineAmic Rewards Dollars, which can be redeemed at any time subject to the terms & conditions of the DineAmic Rewards Program. You must notify our service team if you would like to apply your rewards during your visit.
- Once you spend $2,500 or accumulate 2,500 points in a calendar year, you will begin to earn higher rewards: for every $200 spent, you will receive $20 (10% rewards) in DineAmic Rewards Dollars, which can be redeemed at any time subject to the terms & conditions of the DineAmic Rewards Program.
- Once you spend $10,000 or accumulate 10,000 points in a calendar year, you will start earning even higher rewards! For every $200 spent, you will receive $25 (12.5% rewards) in DineAmic Rewards Dollars, which can be redeemed at any time subject to the terms & conditions of the DineAmic Rewards Program.

You are unable to jump to earning rewards at a higher accrual tier on one transaction. The system will recognize you at your current reward tier until after the transaction closes out. You will accrue at the higher tier with your next transaction.

Note: DineAmic Rewards operate on a calendar year beginning March 1 of every year with annual spend status expiring and resetting on March 1. You must spend tier amounts (listed above) every year to earn higher reward accrual status.
