

Our Mission

DineAmic Hospitality recognizes its key role in Chicago's food service industry during this global crisis. Our Feed The Fearless mission provides a gateway for the community to come together in providing meals for frontline healthcare workers and essential first responders we all depend on, while also providing jobs to our furloughed restaurant staff.

With community support, we can take care of two critical components during the COVID-19 pandemic; providing meals & providing jobs. Both in efforts to lift spirits and serve our community in an otherwise tumultuous time.

What We Are Doing

DineAmic has received national recognition and funding support from organizations such as World Central Kitchen, Frontline Foods, Off Their Plate & Feeding America. These collective partnerships have helped us serve over **3,000 meals per week** to frontline healthcare workers & first responders.

With the capacity to serve over **5,000 meals every week**, we are aggressively looking for more sponsorship & funding support. For every dollar in fundraising received, our chefs can prepare from-scratch meals to those who need it most. Our goal is to increase our footprint and expand efforts to reach across multiple vulnerable industries who have been impacted the most during this time.

We are passionate in doing what we do best - serving Chicago!

How It Works

STEP 1 Every \$15 donation provides one meal to Feed the Fearless

STEP 2 You determine how many meals you'd like to support

STEP 3 We plan and coordinate daily meal drops for every meal donation received

STEP 4 100% of your donation will directly support our restaurant staff responsible for cooking, packing and delivering each meal (excluding processing fees)

FEED THE FEARLESS
