CROTON

RESERVOIR TAVERN
• NYC •

In 1842, New York underwent a transformative leap into modernization by bringing running water to the city, a convenience we now take for granted. Just a few steps away where the New York Public Library and Bryant Park now stand, The Croton Reservoir distributed running water, along with hope for the future throughout

New York City.

Nestled in the vibrant heart of Midtown, adjacent to iconic landmarks such as Bryant Park and Times Square, Croton Reservoir Tavern stands as a living testament to the perpetual progress etched into the tapestry of New York City's history. Rest your city-worn legs, and indulge in a delicious meal at Croton Reservoir Tavern.
