

## Get out, drink up

We hear you should drink plenty of fluids when it's hot out. You don't have to tell us twice—consider this your bucket list of seasonal bars, drink festivals and fun-loving cocktails you have to try before summer ends. By *Alyson Penn*

**7** Everyone knows cocktails taste better in summer when swirled with slushy ice. For frozen renditions of your favorites, head to **Ghost Donkey** (4 Bleecker St; 212-254-0350, [ghostdonkey.com](http://ghostdonkey.com)) for a Frozen Stealth margarita made with St-Germain, cucumber puree and chili, or a Moscow Mule variety at **Clancey** (79 Clinton St; 917-388-3575, [clanceynyc.com](http://clanceynyc.com)) with ginger syrup, ginger beer and a dash of mint-infused Angostura bitters.
