# FAQ

- **How far in advance can I make a reservation?**

A one court reservation for 12-15 people made book up to two weeks in advance.

A two court reservation or Mini Chianti Corner for groups of 30 or less guests can be made up to 60 days/two months in advance.

A three court reservation or larger, Chianti Corner, or any Buyout reservation can be made up to one year in advance.

Contact our event coordinator for December as booking times may vary.

- **What is the booking process?**

Provide your contact information, desired date/time, and style of event. From there, we email you a contract to confirm the date. A deposit is due upon completion of the contract. The deposit is equal to the bocce fees unless you are doing a buyout. An Indoor or Patio Buyout has a \$1000 deposit. There is a \$2000 deposit for the Full Facility Buyout. We finalize your headcount and menu 7-10 days prior to your event. (deadlines may vary for last minute bookings)

- **What is the cancellation policy for events?**

Cancellations or requests to reschedule once the contract has been signed will result in the loss of the deposit. On or after the due date for the final headcount / menu (7-10 days prior), any request to reschedule or cancel results in the charge of the entire proposed bill including food minimum, automatic gratuity, facility rental fee, and tax in addition to the deposit.

- **Is there an automatic gratuity or other fees?**

There is a 22% automatic gratuity (service charge) added to the final bill. It is applied to all food and beverage, not to bocce fees. There is 9.25% tax on top of that. Tax is charged to food, beverage, and the service charge. California state tax law requires gratuity to be taxed on any catered or contracted event. Bocce fees are not taxed.

- **When is final payment due and what payment methods are accepted?**

Payment is due on the day of your event. We accept credit cards, cash, or company checks. Personal checks are not accepted.

- **What happens if my headcount goes/up or down after I submit my final headcount?**

You can always add on additional guests, but you cannot downsize your headcount once it has been finalized.

- **After the food order has been finalized, can we make any changes?**

You can add more food to the order, you can also order more food on site if needed. You cannot downsize your food order once it has been finalized and you have received the final estimate.

- **Are outside beverages or food allowed?**

We allow you to bring in your own wine. There is a \$20 per 750ml bottle corkage fee. We do not allow other outside beverages. No outside food is allowed except dessert. If you bring in an outside dessert, we charge a \$1.00 per person dessert fee. We can provide plates, utensils, etc.

- **Can we bring in decorations for our event?**

Yes, but nothing messy like confetti, nothing damaging such as staples, tacks, nails, and no open flame candles. You may begin decorating at the start of your reservation. We cannot guarantee setup time before your event as we book back to back here.

- **Is there a dress code?**

Smart casual is recommended, but we do not have a dress code. We do ask that no stiletto heels be worn on the bocce courts due to the material of the courts.

- **Are kids allowed?**

Kids are welcome. Parents are expected to accompany and supervise all kids under 18 years of age.
