THE RAGTRADER

Honoring those who stitched together the fabric of yesteryear,
The Ragtrader harkens back to the nostalgia of a forgotten
time — when things were created by hand, and craftsmanship
mattered.

A time when neighbors gathered to share their stories over
good food.

The Ragtrader, evokes the old garment factory that once was,
complemented with quirky details that unfold on each level.

Executive Chef Justin Ottervanger has created rustic
yet elegant dishes that showcase the restaurant's relationships
with local farms and purveyors.

Speaking to time-honored techniques
with a focus on offerings best shared amongst friends.

Together with a careful selection of wine and craft beer,
our cocktails encompass old favorites reminiscent
of the building's humble beginnings alongside newer creations.

A peek downstairs will reveal Bo Peep Cocktail & Highball
Store, a cocktail and piano bar that will make your heart smile.
