*To nourish and build community*

**OUR VISION:**

*We are inspired by the east Asian cuisines of Thailand, Laos, China, Japan, Korea, and more. We use locally sourced ingredients to interpret bold, rich, clean flavors and dishes in an approachable, casual neighborhood setting. For us, as in the cultures we represent, food and drink are far more than sustenance; they are nourishment, experience, enrichment, community, and family. Above all, we want to share the joy of food and community with our guests.*
