# WINE W!NE

## **The Wines (and How to Drink Them)**

*What We Look For:*

*Terroir over Trophy*

If it tastes like where it's from, we're in. We love wines with character.

*Curiosity over Convention*

The classics are well represented; the weirdos are welcome too. And our list changes every week, so there's always something new to try!

*Natural, but Clean*

Many wines on our list are farmed organically or biodynamically and made with little intervention.

That doesn't mean funky for funk's sake;  
just honest, vibrant juice that feels alive in the glass.

*The Vibe*

Need a bubbly for your clams? A crunchy red that's made for polenta?  
Want to go wild? Light & crunchy? Deep & structured?  
A little smoky or herbal? You're covered.

Looking for Chardonnay? You'll also find brilliant Chards  
from California and Jura and beyond.

Looking for anything but? We can help there too.

Feeling adventurous? Let us steer you toward something off the map!

### **Glass, Bottle, or Both?**

We'll happily pour any bottle by the glass if you're up for two glasses—  
we'll Coravin it just for you.

It's the perfect way to explore something special  
without committing to the full bottle.

*Not sure where to start? Just ask your server—we love talking wine.*
