*"How to drink water when there is wine...
Now I have lived long enough and I know better."*

— Barbara Kingsolver

WINE

The Wines (and How to Drink Them)

from wine director Gabriela Ospina

Glass, Bottle, or Both?

We'll happily pour **any bottle by the glass** if you're up for two glasses—
we'll Coravin it just for you.

It's the perfect way to explore something special
without committing to the full bottle.

The List:

Curiosity over Convention

The classics are well represented; the weirdos are welcome too.
And our list changes every week, so there's always something new to try!

Terroir over Trophy

If it tastes like where it's from, we're in. We love wines with character.

Natural, but Clean

Many wines on our list are farmed organically or biodynamically
and made with little intervention.

That doesn't mean funky for funk's sake;
just honest, vibrant juice that feels alive in the glass.

The Vibe

Need a bubbly for your clams? A crunchy red that's made for polenta?
Want to go wild? Light & crunchy? Deep & structured?
A little smoky or herbal? You're covered.

Looking for Chardonnay? You'll also find brilliant Chards
from California, Burgundy and beyond.

Looking for anything but? We can help there too.

Feeling adventurous? Let us steer you toward something off the map!

Not sure where to start? Just ask your server—we love talking wine.
