The Wines (and How to Drink Them)

from wine director Gabriela Ospina

Glass or Bottle?

We'll happily pour **any bottle by the glass**
if you're up for two glasses—
we'll Coravin it just for you.

It's the perfect way to explore something special.

Curiosity over Convention

Need a bubbly for your clams? A crunchy red that's made for polenta?
Want to go wild? Take it easy? You're covered.

Looking for Chardonnay, Pinot Noir, Champagne?
Looking for anything but? We can help there too.

The classics are well represented; the weirdos are welcome too.
The list changes every week so there's always something new to try.

We believe there is a wine for every palate,
and we are determined to find it!

"There can be no wisdom without freedom of thought."

If it tastes like where it's from, we're in.
Farmed with organic, biodynamic, sustainable practices,
often informed by generations of experience, that's our sweet spot.

Ask the team for a taste of something and see for yourself!

*"How to drink water when there is wine...
Now I have lived long enough and I know better."*

— Barbara Kingsolver
