

METROPOLITAN HOSPITALITY GROUP

How We Are Keeping You Safe

The safety of our guests and team are our top priorities. We have taken several measures to keep you safe.

Disposable or Digital Menus

Each guest has the option to receive a brand new menu that will be disposed after each use or scan the QR code on the table to access the menu on their phone

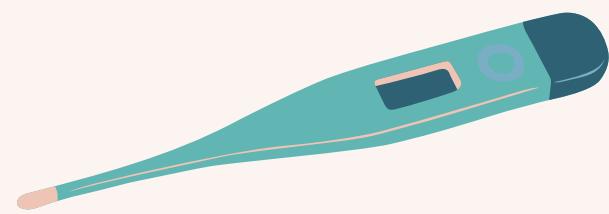

Contactless Payment

You have the option to pay using your phone without needing to hand over cash or a card

Team Wellness Checks

Ensuring our team is feeling their best everyday

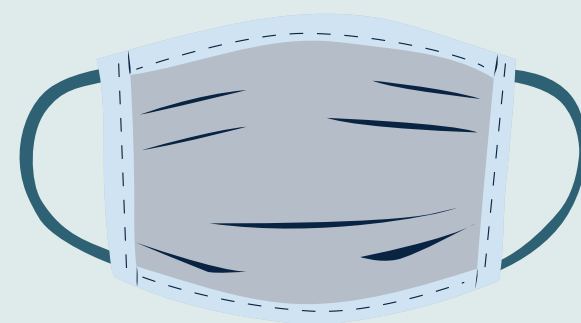

Frequent Disinfection

Frequent disinfection of high touch surfaces such as door handles, pens, tables, and chairs

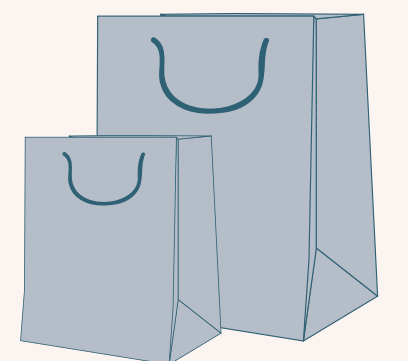

Face Masks

Requiring team members use face masks at all times

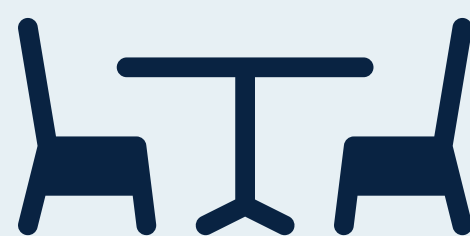

Minimal contact pickup and contactless delivery options

If you prefer to not to dine in, we proudly offer minimal contact pickup and contactless delivery

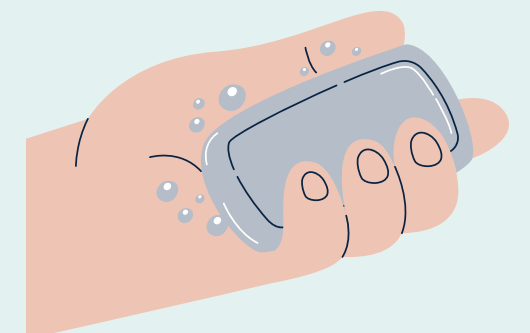

Social Distancing

Guests will be seated 6 ft apart to maintain appropriate social distancing

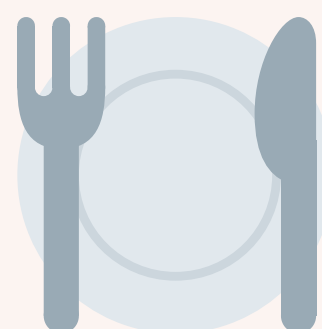

Increased Hand Washing

Timed and scheduled regular hand washing reminders for team members and hand sanitizing stations for guest's use

Disposable or Sanitized?

The option is yours. Would you like disposable containers and cutlery or our original sanitized plate- ware and silverware?

Following Guidelines

We are keeping up to date and complying with health and government agencies' policies to ensure your safety
