Amazing food, service, and ambiance. Excellent price point and tasty options. Went for a small birthday dinner and was not disappointed. Our server was very nice and provided excellent recommendations when asked! They even have mocktails

The food is delicious. I ate appetizers flat bread with dip and olives dish. Highly recommend. I ate also the picante pizza. It is not hot but tasty. The gnocchi paste was ok. The space is beautiful but sitting area is tight. Great location! Great service. High recommend!
