### Where did the name Avenida Brazil come from?

- From our Executive Chef, Chef Vanderlei Bernardi -- *"The name Avenida Brazil was inspired by my home. I was born and raised in the South of Brazil on a small hard-working farm in the country, Avenida Brazil, a busy street found throughout Brazil, was a symbol to me when I was young of what dedication to one's craft could create. Our catering incorporates quality, Brazilian style grilling and our award winning services. We strive to bring our Brazilian Heritage to all we do in our home of Houston sine 2008."*

### Do you have minimum order requirements?

\$120 for pick-up (available during open hours)

\$400 for delivery (plus delivery fee)

- \$2500 for on-site grilling

### How does onsite grilling work?

- Our grill can operate indoors or outdoors, however it will depend on the rules of the venue as our grill uses propane. For groups of 100 guests and less, one grill will be needed, two grills for 101-249 and three grills for 250+ guests. The grill requires a dedicated plug and a 10x10 ft area to be operable. We require a \$2,500 food & beverage minimum plus \$300+ delivery charge for the first grill and \$100 per extra grill and staffing charges (2 hours for setup and 1 hour for breakdown will automatically be added plus time of event).

### How do I reserve my event?

- We need the catering contract approved and a 50% deposit to secure your event date.. We accept payment via credit card or check.

### What is the Service or Production Fee?

- A 10-20% Service Fee will be included in the final billing on all catering orders. The Service Fee covers the use of our equipment, liability insurance, fees, permits and other administrative expenses such as packing for your event, clean up, site visits, and detailed coordination with all parties (client, hospitality companies, wedding coordinators, etc.) leading up to the event. Please note that the Service Fee is taxable and is not a gratuity for the personnel.
- **When do I need to give my final guest count?**
- Customer must finalize number of orders 72 hours (3 days) in advance. Once final number is received, there may not be any changes that can be made for decreases. We will try our best to accommodate any increased numbers.

### What is the cost of the serving staff?

- \$30/hr for first 6 hours, then \$50/hr thereafter. Serving begins when food is picked up from the restaurant and ends upon return to establishment. We charge 1-2 hours for set up and 1 hour for breakdown plus the time of the event.

### Bartenders

### When is the Final Payment due?

- We require final payment for all catering orders at the time of the final guest count-- 72 hours prior to the event.

What does
