## Passionate About Food

*Paradis – the French word for paradise – reflects the style and experience of our food. We focus on fresh, local ingredients, crafting a rotating menu of comfort food that’s healthy and recognizable and makes you feel good. For over 14 years, Paradis has transformed the way New York eats and indulges. We have stayed true to our original mission – to serve seasonally driven and approachable food. Today, Paradis instills the same passion into beloved signature favorites and innovative eclectic dishes. Whether you’re sitting down for a corporate lunch or catering a family event, our food is always crafted in-house, baked fresh daily, and ready to eat. Bon appétit!*
