

## VASO ROOFTOP LOUNGE

Welcome to Bridgepark, a vibrant community where VASO is mixing it up and offering incredible views. Located on the rooftop of the AC Dublin, VASO offers a unique Spanish-style tapas menu and panoramic views of the Scioto River and Historic Downtown Dublin.

We invite you to come escape to our rooftop oasis via our express glass elevator. Slow down, unwind and grab a savory plate and one of our signature drinks handcrafted by your table-side bartender. Relax, enjoy the sunset and lose track of time, our experienced staff will take care of you.

Our lounge features two unique bars, indoors and outdoors, with signature cocktails, boutique-style wines and craft beers. Relax by the fire or enjoy one of our private cabanas on the outdoor patio.

## TESTIMONIES

*“I did a private event for clients the other night here. [The private event coordinator] was wonderful to work with to establish the menu, seating and logistics for the event. The service was first class and the food was wonderful. I got compliments from all the attendees. This is a great space that offers stunning scenery and ambiance. You kind of forget you are in the suburbs! I highly recommend.”*

*“Vaso is a wonderful place! They understand what it takes to provide good service and continue to shine as a local intimate hot spot with a wonderful view of the sunset skyline over Dublin and the Scioto River. Good food, good music, welcoming and comfortable. Love this place!”*

## RECOGNITION

---

- ❖ Vaso named the most beautifully designed bar in Ohio by architectural digest

*“Looking more like Hollywood or Manhattan, not the tiny town of Dublin, Ohio, this rooftop lounge’s floor-to-ceiling windows overlook the Scioto River, the design was at the hands of a general manager who was inspired by his time at the St. Regis in Washington, D.C.”*

- ❖ The AC Marriott Hotel in Dublin where Vaso resides was named project of the year by Marriott international

## ON TAPAS & SPANISH CULTURE

---

“The tapa reflects the Spanish approach to life. This itinerant tasting and tipping stems from an unabashed love of play and pleasure. And because home entertaining is uncommon in Spain, tapas bars serve as de facto living rooms: places to eat, relax, meet friends, watch a soccer game, have a quiet drink, chat with the owner.” – George Semler for *Saveur*
