LES GRANDS VINS DE BOURGOGNE

At its core, Burgundy is just Pinot Noir with an French address., albeit an exclusive and perhaps intimidating one. Whittle away all the nomenclature of villages and classifications, soon the wine rolls off your tongue as softly and sensually as the words Amoureuses or Vosne-Romanée would come out. While stylistically different, these two iconic producers and their wines always convey a sense of place. And don't worry, we are here to help you with the pronunciations!
