DANCIN is a love story.

It is the marriage of science and art. The pairing of simple Italian fare and fine wine. And the sincere passion of Dan and Cindy - who together formed DANCIN in 1995 and planted their first vineyard in 2009, and thus began their annual dance with nature.

Romance and wine have gone hand in hand for centuries and it’s only fitting that the genesis of DANCIN has its roots in a love story. It’s a blend of passion, serendipity, and miracle meetings, and is best heard while sipping wine in one of the picturesque spaces at the tasting room. Suffice to say, inclement weather and a chance meeting twice on the same day brought the pair together. They were married after three months and have been DANCIN ever since!
