At Table 128, we love wine. We are proud to offer a list of 120 hand-selected wines from around the world, with a focus on small, artisanal producers, both familiar as well as obscure, that are approachable enough to enjoy on a weeknight or help commemorate a special occasion. We routinely host winemakers from around the world and enjoy offering our guests wine pairings with our three-course Chef's Menu every Saturday.

Please note: Our wine selections change often, and some of the wines we offer are limited in availability. We do our best to keep this list up to date, however, current selections may vary slightly from this list.
