

# HAWG 'N' SAUCE

## Barbecue & Grill

### HAWG HISTORY

Back in 2003, my buddies and I started out cooking for fundraisers for our daughters travel basketball team. We had so much fun that we put together a competition BBQ team! At our very first KCBS competition we scored higher than the #1 team in the nation in the ribs category. We have won several awards in BBQ competitions throughout the years, but my favorite competitive experience was winning **GRAND CHAMPION** because my team included my wife, Sabrina and our kids, Trevor and Bailee!

Seeing how successful our BBQ was, we decided to open a restaurant, which was a big change after building houses and custom cabinets for most of my life. Now you can be the judge! As always, we take great pleasure and pride in making sure you, our guest, are fully satisfied and that you leave full, happy and anxious to return with your friends and family.

See you again soon,

**Jeff**
