

Adorn

Our cellar is rooted in the belief that great wines reflect a profound sense of place, time, and tradition. Each bottle represented on this list has been selected for its authenticity, craftsmanship, and enduring expression of terroir. At the heart of the collection are the great generational estates of the world's classic wine regions. Alongside these icons, you'll discover an evolving selection of visionary growers shaping the future of fine wine in emerging appellations. Whether enjoyed alongside exceptional cuisine or savored on their own, these are wines of character and balance.

We are grateful to have our program recognized with Wine Spectator's Best of Award of Excellence an acknowledgment of our commitment to depth, diversity, and the pursuit of the world's most distinctive wines.

CORAVIN SELECTION

Enjoy exceptional, premium wines by the glass.
Coravin preserves still wines without removing the cork,
while the sparkling system keeps effervescence alive after opening —
so every glass is as fresh as the first.

WINES OF THE HARLAN FAMILY

HARLAN ESTATE

Established in 1984 by H. William Harlan, Harlan Estate is considered to be one of the “First Growths” of California. Harlan’s 40-acre vineyard is situated on a south-facing slope of diverse volcanic and sedimentary bedrock.

THE MASCOT

The Mascot is crafted from the newer plantings from Harlan Estate, BOND, and Promontory. This wine captures the energy of young Cabernet Sauvignon vines alongside the enduring legacy of Bill Harlan.

PROMONTORY

The Promontory property is a wild landscape with only ten percent under vine. This piece of land west of Oakville is a rugged, steep terrain with fractured volcanic and metamorphic soils, leading to wines with striking precision, mineral intensity, and dark mountain fruit.

BOND

BOND represents Bill Harlan’s exploration of Napa Valley’s finest Grand Cru-caliber sites. The estate produces five single-vineyard wines – a study in how varying exposures, soils, and elevations translate into distinct expressions of Cabernet Sauvignon.
