3) Gowanus: Salty Rise and Ribdiculous Bar-B-Krewe are two barbecue teams who joined forces to create **Pig Beach**, a 150-seat seasonal restaurant. Standouts on the menu at Pig Beach include baby back ribs; rosemary and garlic-rubbed tri tip; slow cooked turkey; and a burger made of short rib and brisket, topped with cheese on a potato bun. Pig Beach plans to launch a summer guest pitmaster series, inviting pitmasters from across the country to work the smoker. **Status:** Certified Open; 480 *Union Street*
