RIBEYE TACO 10

Thinly sliced Ribeye, green and morita salsa, molcajete-marinated grilled onions, chihuahua cheese crust, served on a handmade corn tortilla.

"This taco is inspired by my travels through Mexico City, it's one of the dishes that has impressed me the most. I love playing with different masa varieties in a single tortilla, hence the color, and adding special touches like the epazote leaf. I've also been playing around with my own salsas to really pull everything together."

SOPA DE TORTILLA 12

Tomato and chile pasilla broth topped with fried tortilla strips, fresh avocado, sour cream, Chihuahua cheese, and lime.
