

NYC's New Restaurant Openings

WILL HARTMAN, WILLA MOORE, MOLLY FITZPATRICK, BRYAN KIM & SONAL SHAH

If you tried to keep track of every new restaurant and bar in New York, your head might spin. So just read this list instead. These are the openings that seem like they have the most potential. Although, keep in mind, we make no promises about the places we haven't visited yet. Go forth and be a pioneer—or just keep up with our [Hit List](#) to see which new restaurants we checked out and loved.

Casa Felix ...

 190 7TH AVE, NEW YORK, NY 10011

\$\$\$\$ | MEXICAN | CHELSEA

Casa Felix in Chelsea calls itself “The House of Fun,” and it’s inspired by Mexican star María Félix. The restaurant is from the group behind [Ophelia](#), [Art Bar](#), Phillippe Chow and a few other places; here, they’re serving clubby Mexican food like crispy tuna bites, chipotle mussels, and charred corn risotto.
