Subject Line: Nov. 13 is National Chicken Nugget Day and Garden Catering is GIVING AWAY A TON of nuggets! 2,000 lbs! That's the weight of a Wild Asian Water Buffalo!

Nov. 13 is National Chicken Nugget Day and CT's Garden Catering, famous for its hand-cut nuggets, is giving away a TON of chicken nuggets (yeah, that's 2,000 lbs of nuggets!) to any guest who orders in-store or online on that day.

To celebrate their exclusive partnership with Uber Eats, every customer who orders on National Chicken Nugget Day will get a coupon valid for a free ½ pound of nuggets for their next order the following week via the popular delivery app.

Garden Catering serves 500,000 lbs., or eight million nuggets a year, so they weren't at all chicken about giving back to their loyal customers on National Chicken Nugget Day.

Heavier Than Two Grand Pianos? What does a ton of delicious, hand-cut chicken nuggets look like? Well, that's equal to the weight of a Wild Asian Water Buffalo, two grand pianos, or the Liberty Bell!
