

MEZCAL

Unlike tequila, which by law must be made from Blue Weber agave, mezcal can be made from 30-plus varieties. It can be clear, golden, or amber. Age statements range from zero to two months for joven mezcals, two months to one year for reposado, one to three years for anejo, and more than three years for extra anejo. The signature smoky flavor is a result of its production process, in which the pinas or hearts of the agave plants are roasted in pits dug into the ground. It's sort of like BBQ!

BEVERAGE MENU

Coyote margaritas are our own recipe blending together a great balance of tequila, lime and sweetness. They are served in 16 oz. mugs and have quite a potent kick. We feel that two margaritas are enough for the average person so we also offer a "Half a Marg" for your pleasure and safety. We want you to enjoy your visit and come see us again.

**We build our Ultimate with Sauza
