Thank you for considering Maybeck's for your group booking.

We can accommodate groups of 13 to 30 guests. The parties would be seated on 2 to 3 tables close to each other. The rate is \$45, \$55 or \$75 per person for food, plus beverages, gratuity, 8.5% sales tax and 5% SF Fees. A facilities fee will be added to parties of 20 or more that take up the entire lounge.

Maybeck's is happy to add an hors d'oeuvres reception for an additional \$20 per person. We are also happy to add wine and cocktails of your choice for the event. Wine is charged in addition to food by the bottle and cocktails by the each. Corkage is \$25 per bottle.

Following you will find examples of the types of menus that we can provide; however, please understand that our produce is subject to market supply, so your menu will be of similar quality but not necessarily the same items.

Please e-mail regarding these bookings. In order to make these reservations we need e-mailed or faxed confirmation with a credit card guarantee and an authorized signature.
