CATERING POLICY

PAYMENT

We accept Credit Cards: VISA, MASTERCARD, AMERICAN EXPRESS, DISCOVER.

Corporate Accounts: A valid credit card is required on file for every corporate account — no exceptions. At setup, a \$1 verification charge is applied to confirm the card is active; this is a temporary authorization, not a payment. Corporate checks are due upon delivery or within 30 days of the order date. If payment is not received within 30 days, the card on file will be charged in full. This is automatic and applies to all accounts; no waivers are made.

POLICY

We accept last minute orders without penalty. We ask for two-hour lead time to fulfill your order. Once the order is in our system, it is immediately processed and charged.

E-signatures are required to process all orders. If we do not receive confirmation via e-mail, your order will not be processed.

GRATUITY

Lenwich Catering suggests a 5% gratuity for the delivery personnel, which is displayed as an adjustable tip amount reflected on your e-mail confirmation. This gratuity goes entirely to the delivery personnel.

ADMINISTRATIVE SURCHARGE

Lenwich Catering charges a 5% administrative surcharge on all catering orders to cover operating and administrative costs. This surcharge is not a gratuity and is not paid to delivery or service staff.

NO-DAY-OF CANCELLATION POLICY

Postponing or rescheduling your order is the same as cancelling it.

Once your order is in our system, your food is prepared for your scheduled delivery. Moving your order to another day, cancelling, or reducing your quantity on the day of delivery does not avoid the charge — you remain 100% responsible for the full amount, even if you reorder for a later date. Orders may be *increased* on the day of delivery when possible, but cannot be reduced.
