The skill of cooks and kitchen staff is equally as important as the quality of the service. Unfortunately traditional tipping has created great disparities in the earnings between service staff and kitchen and support staff. Under MA law, no gratuity may be shared with our kitchen staff. As an alternative to raising prices, we implement a 3% Kitchen Appreciation Charge on food items to be shared with the non-tipped employees working behind the scenes tonight. If you would like this charge removed, please just ask. We thank you for allowing us to share your generosity with our entire staff.

*Contains raw or undercooked ingredients. We are supposed to tell you thoroughly cooking meats, poultry, seafood, shellfish and eggs reduces your risk of getting sick.
