

Spring Fling Cherry Blossom Festival blooms at Watermark in the Seaport

Feeling floral? Cherry blossom season is getting an early start in the Seaport.

Pier 15's Watermark, located at 78 South St., has partnered with Bucket Listers to present the Spring Fling Cherry Blossom Festival at the restaurant's Pink Pier. For the first time ever, the 10,000-square-foot space has been decked out in all things pink and cherry blossom to kick off the spring season.

Those who come and check out the experience can take a stroll through the Cherry Blossom Floral Hallway, take advantage of photo opps throughout the space, and take in views of the New York City skyline. Photo opportunities include the Sweetheart Throne, the Skyhigh Cherry Blossom installation and the giant photo frame in front of the Brooklyn Bridge.

A curated food and cocktail menu is offered during this experience, with options that are reserved through your ticket purchase, such as the Salmon Poke Bowl, Braised Short Ribs, Pretty in Pink Pancakes and the Black Angus Pink Pier Signature Burger, to name a few. Other food options can be purchased a la carte.

The menu also features a lineup of delightfully pink cocktails and mocktails, as well as a selection of beer, wine and bubbly.

Tickets for the experience start at \$15, with tickets including one free glass of Pink Bubbly or Mocktail upon arrival. VIP options are also available for purchase starting at \$22 per person, with VIP ticket holders receiving express admission to the VIP line, a glass of Pink Bubbly, Mocktail or Pink Guava Tea, one pink snack from the bar.

Guests can also book private and semi-private glasshouse and chalet seating, providing an indoor experience starting at \$40-45 per person.

The Spring Fling Cherry Blossom Festival is open for all ages. For more information or to purchase tickets, visit [bucketlisters.com](https://www.bucketlisters.com).
