ESTRELLA RIVER WINES

In 1792, near the Estrella River, members of the Mission San Miguel cultivated one of California's first vineyards. Two hundred years later, Estrella Winery has reawakened interest in the historically significant vineyards of the Central Coast region. Climate-moderated by ocean breezes, rich soil, and winter freezes combine to nurture the premium varietal grapes used in Estrella's exceptional wines.

Chardonnay, White Zinfandel, Merlot
Glass 6 Bottle 21
