## Sharing Our Love of Vietnamese Cuisine

Growing up in Southeast Asia created our deep love of delicious food. Both our mother and grandmother were entrepreneurs with successful ventures in food distribution for specialty markets and embassies in Laos.

These gifts surrounded our family with unique influences of Southeast Asian and French cuisines, paving the way for our love story with Vietnamese food.

**Inspired by our history and excitement for the present, Saigon Sisters emerged in 2009, sharing culinary delights and phenomenal flavors with the world.**
