THE LCL: Bar & Kitchen Makes For The Perfect Lunch Spot In Midtown East

Located on the ground floor of The Westin New York Grand Central, THE LCL: Bar & Kitchen offers creative cocktails and a seasonal menu in a contemporary setting inspired by nature. Designed by STEPHANIEGOTO, the 2,600 sq. ft. space features an alluring curtain wall composed of vertical natural walnut planks, a palette of soft colored reflective glass and an illuminated “forest wall” which transitions from day to night.

THE LCL features an expansive collection of small-batch spirits, regionally brewed craft beers, global wine offerings and a rotating selection of Gerber Group’s classic and modern cocktails that highlight market fresh ingredients and cold pressed juices.

The kicked up comfort food menu is available from sunrise to well after sunset, and features favorites such as Deviled Organic Eggs, LCL LaFrieda Burger and Kale Salad. THE LCL also serves Starbucks Coffee, Organic Avenue juices and fresh grab-and-go options in the morning for guests on the move. THE LCL: Bar & Kitchen is open daily; private event space is also available.
