Whiskey Blue at W Atlanta

3377 Peachtree Road, 678-500-3190

Perched atop the W Hotel in Buckhead is a bar truly worthy of the #nofilter caption. Guests arrive at the newly renovated rooftop bar in a magical all-glass elevator that ascends 125 feet above Atlanta's skyline, with views of Midtown on one side and Buckhead on the other. Whiskey Blue features two outdoor patios, an enormous mural by local artist [Chris Veal](#) and a classic food and beverage menu.
