ABOUT

"As soon as you walk into Casta's, you get the feeling you've been transported to Cuba. Spanish mosaic tiles break up the walls and floor.

Stained glass, a prevalent design element across Cuba, was used to manufacture opalescent orbs glowing above the outdoor bar. With over 100 different types of rum, Casta's is not just a place to drink but also weaves in a substantial menu of authentic dishes & cigars from Cuba"
