Westside Provisions District is slated to get a slew of new restaurants.

## 5 RESTAURANTS coming soon

**AZIZA** From Tal Postelnik Baum, the force behind Bellina Alimentari, comes Israeli-focused Aziza, slated to open at Westside Provisions District this summer. Sister restaurant Rina will follow at Ford Factory Courts.

**REDBIRD** Two former Watershed on Peachtree powerhouses are coming together this summer for Redbird ([redbirdatl.com](http://redbirdatl.com)) at Westside Provisions District. They're dubbing it "free-spirited cuisine," and will focus on options and flavors.

**RUBY CHOW** Another former City Market, Guy Wong (of Le Fat and Ton Ton) will open Ruby Chow's in Old Fourth Ward—a celebration of

Pan-Asian cuisine—later this year.

**TALAT MARKET** James Beard Award-nominated chef Parnass Savang and co-owner Rod Lassiter are preparing their first brick-and-mortar after a wildly successful run of pop-ups. Opening later this summer, Talat Market ([talatmarketatl.com](http://talatmarketatl.com)) will feature Thai dishes using local ingredients.

**FORZA STORICO** Buckhead's immensely popular Storico Fresco is getting a sister restaurant, Forza Storico. It'll be Atlanta's first Roman restaurant in the old Little Bacch space at Westside Provisions District.
