OUR PHILOSOPHY

Treat people like kings and kings like people
- Giuseppe Cipriani

Welcome to Post House, a coastal tavern and inn offering seasonal fare, classic cocktails, seven cozy hotel rooms and a bit of salty air. Situated in the heart of the Old Village, Post House is a home away from home for staycationers and travelers alike, a charming respite from the day to day hustle. Take the weekend or the week and settle in to the village life.

Built in 1896, 101 Pitt Street has a longstanding history as the neighborhood hub. Some hundred years and many iterations later, Post House now presents a contemporary take on the neighborhood landmark, still bringing people together, in celebration, over good food and with a few drinks in tow.

WINE

Our wine list has been thoughtfully curated to represent both Old and New World favorites and gathered with the summer season in mind. Pop-in after the beach for a glass of Rose or settle in with a Back-Bar Burger and a bottle of Barbaresco - it's time to soak in the Village Life! A trap door in the dining room leads down to our cellar, tempered naturally and home to our select wines - a perfect celebration with or without an occasion.

FOOD

At the heart of it all, our goal is simple; to pair delicious food with genuine hospitality and to welcome everyone -- To do just that and to do it well. Our menu offers contemporary American cuisine, highlighting the region's best produce, locally caught seafood & sustainably raised meats. Our team at Post House is committed to serving our guests with warmth and attention. Both exciting and approachable, Post House is a neighborhood spot inviting locals and travellers to come together for a good time.
