2023 SURCHARGE

Our restaurants have been operating with extraordinary increases in the cost of doing business. High inflation, rising wages and supply chain challenges have continued beyond the pandemic creating a difficult operating environment. We have reluctantly chosen to implement a separate 3.75% fee for 2023 with the hope that it can be eliminated in the future as conditions improve. We appreciate your support and understanding.

*Consuming raw or undercooked items may cause foodborne illness. Menu items marked with an * may contain raw or undercooked ingredients. Regarding the safety of these items, written material is available upon request.*
