Our Commitment to Better began decades ago when we chose to bypass traditional commercial produce routes in favor of locally grown fruits and vegetables. Establishing relationships with local farmers, Clyde's Restaurant Group was farm-to-table before it was a term.

Our chefs proudly support local watermen of the nearby Chesapeake Bay and other east coast fisheries. Our seasonal menus showcase the true "bounty of the sea."

In addition to our local, farm-grown produce and seafood, we proudly serve humanely raised beef and chicken that's free of hormones or antibiotics.
