

Join Us In Support Of Nepal
Thursday September 10th
Dinner Service Begins at 5:30 PM

Nepal holds a meaningful connection to the Blue Duck Tavern and Park Hyatt Washington community. Several members of our team call Nepal home, making the impact of the devastating floods deeply personal to our colleagues and those who work alongside them.

On Thursday, September 10, Blue Duck Tavern will donate ten percent of dinner proceeds to support the relief efforts underway in Nepal.

We are proud to donate those proceeds to Mercy Corps-soon to become Prosper Global, an organization with a longstanding presence in Nepal and experience working alongside local communities during times of crisis. They partner locally and globally to help people cope in the midst of crisis, adapt to a changing world, and thrive into the future. In 2025, they reached more than 36 million people with urgent aid and long-term solutions.
